Our affiliate program has been developed to compensate our valuable partners and friends for referring business to us. The program is simple:

1. You Refer
2. We work
3. Customers Pay
4. Everybody Wins!

Our program provides you the opportunity for monthly commissions based upon the referrals you have made, but also build residual income for the longer term.

## Common Questions

[How do I get started? I have some friends who I really think could use your services!](#)

Getting started is very easy. Just download our reseller packet from our website at [www.incytemedia.com/resellers](http://www.incytemedia.com/resellers). Once you have completed and submitted the application, you will be notified within 72 hours of your status and provided with an affiliate number. You will also be provided all the materials you need to get started marketing our, registering leads and most importantly making money!

[Is there a limit to the amount of money that I can be paid via the Affiliate program?](#)

Absolutely not. The more business you send our way, the greater the earning opportunity. In addition, you will be provided with a monthly statement of current and pending work so you always know what type of payment is coming.

[Do I have to be technical to be part of the program?](#)

Not a bit. You just need to be able to register your leads, have good communication skills and be willing to ask questions if you have them. Once you make a referral that results in a sale, we take it from there and you just have to wait to cash the check.

[Is there a cost or minimum sales commitment as an affiliate to stay part of the program?](#)

Along with being totally free to join, there is no monthly or annual revenue commitment! We just like having you as part of the team. Periodically, we will notify you of incentive programs for Affiliates who achieve a certain volume of sales. However these volumes are in no way required.

### How often do I get paid?

Payments are made on the first of every month for all payments received the previous month in addition to all recurring revenues that have been accrued. Payments will be made via check or EFT to the then-current company information on file. At the end of each year, you will be provided the appropriate tax documentation for your records.
